RE: Davey v. Locke  
NO. C00-0061R

Dear Judge Rothstein:

On February 14, 2003, I filed a response to the Plaintiff's Renewed Motion for Summary Judgement in the above-referenced matter. In that response, I indicated that the defendants would be filing a petition for a writ of certiorari on or before February 21, 2003.

My filing was in error – we filed our petition on February 24. The error in our response was due to an oversight on my part, and I wanted to apologize to you and to opposing counsel for any confusion that my error may have caused. Please be assured that this error was in no way intended to be misleading to you or to our opposing counsel.

Sincerely,

A handwritten signature in cursive script that reads "Michael J. Shinn".
